

SOCK DRIVE

Shoes 4 the Shoeless was founded in 2010 by a small group of people who discovered a great need within our community. As of early 2019, we have delivered well over 75,000 pairs of shoes and socks to disadvantaged children throughout the Greater Miami Valley region. The need remains great, our work is unending and will continue. **Are you ready to join the fight with us?**

SOCKS

There isn't a much better feeling than putting on a brand new pair of socks for the first time. For many of the children we serve, experiencing brand new socks of their own is a first when our organization arrives. S4TS gives out nearly 100,000 pairs of socks each year.

This means we are always in need of more! **THANK YOU** for hosting a sock drive with your organization, many local children will benefit from your generosity. Socks are fun to purchase and collect.

HOW? WHAT KIND?
