If you are not satisfied with the response, you may contact the superintendent. By following this procedure, you will generally receive a prompt, informed response. (Board policy 9130)

The Board of Education recognizes the value to school governance of public comment on educational issues and the importance of allowing members of the public to express themselves on school matters of community interest.

The Board is also committed to conducting its meetings in a productive and efficient manner that assures that the regular agenda of the Board is completed in a reasonable period of time, honors the voluntary nature of the Board's time and using that time efficiently, and allows for a fair and adequate opportunity for input to be considered. Consequently, public participation at Board meetings will be governed by the following principles:

- A. Any person or group wishing to place an item on the agenda shall register their intent with the Superintendent no later than seven (7) days prior to the meeting and include:
 - 1. name and address of the participant;
 - 2. group affiliation, if and when appropriate;
 - 3. topic to be addressed.Such requests shall be subject to the approval of the Superintendent and the Board President.
- B. In order to permit the fair and orderly expression of such comment, the Board shall provide a period for public participation at those public meetings of the Board during which action may be taken and publish rules to govern such participation in Board meetings.

The presiding officer of each Board meeting at which public participation is permitted shall administer the rules of the Board for its conduct.

- A. Public participation shall be permitted as indicated on the order of business.
- B. Participants must be recognized by the presiding officer and will be requested to preface their comments by an announcement of their name, address, and group affiliation, if and when appropriate.
- C. Each statement made by a participant shall be limited to three (3) minutes duration, unless extended by the presiding officer.
- D. No participant may speak more than once on the same topic unless all others who wish to speak on that topic have been heard.

- F. The presiding officer may:

 4. request the assistance of law enforcement officers in the removal of a disorderly person when that person's conduct interferes with the orderly progress of the meeting;
 5. call for a recess or an adjournment to another time when the lack of public decorum so interferes with the orderly conduct of the meeting as to warrant such action.
