# THE SPARTAN SERIES

WAYNESVILLE MIDDLE SCHOOL

## March 12th Planned Remote Learning Day

Our staff will be receiving their second COVID-19 vaccination after school on March 11th. We will have a planned remote learning day for students on March 12th to allow staff to recover after the second dose of the vaccine. Assignments will be posted on Google Classroom for students to complete for the day, and they will be due March 23rd (after spring break). They will count as a 4th quarter grade since 3rd quarter ends on March 12th.

**There will not be any "live" log-in requirements for students on this day.**

## LOOKING FOR WAYS TO SUPPORT OUR KIDS?

HERE ARE SOME WAYS WE COULD USE YOUR HELP

All students at WMS will be starting a School Pathway painting project within the next few weeks (more details to come), and we will need enough supplies for the student body.

Ways to help:

- Donate new or gently used paint brushes. We can use all sizes from very fine for writing on stone to 3" wide for priming.
- Send in Lowes Gift Cards, any denomination would be appreciated

All students and all grade levels are welcome. Please come with work and questions. Parents must provide transportation home and send an email to [skrumholtz@wayne-local.com](mailto:skrumholtz@wayne-local.com) for students to stay.

Wayne Local Schools is honored to have David Fornshell speak with our students on March 31, 2021. He will be talking to our students about various topics that affect our teens every day.

He will speak of the dangers and legal ramifications of school threats, sexting, sexual offenses (as they pertain to juveniles) and online dangers. His presentation will be about 45 minutes in length. The middle school will have a separate presentation from the high school so the topics can be tailored for age appropriateness. The information covered in this presentation is key in preventing circumstances our teens find themselves in often, and gives them information and strategies on how to possibly avoid them.

An opt-out form is attached if you do not wish for your child to participate.

SPRING BREAK

# Here is an exciting new opportunity for next year's Freshmen (current 8th graders) that will be starting in the new school year:

## WARREN COUNTY **COMMON PLEAS COURT** PROBATE / JUVENILE DIVISION

900 Memorial Drive, Lebanon, Ohio 45036

### JUVENILE COURT'S YOUTH COURT SEEKING HIGH SCHOOL VOLUNTEERS

Warren County Juvenile Court has volunteer opportunities available for any high school student who lives in Warren County - - grades 9<sup>th</sup> through 12<sup>th</sup> - - who is interested in participating in its Youth Court Program. The volunteers will be a part of actual court hearings by serving in the roles of judge, bailiff, prosecuting attorney, defense attorney, and jurors. Local attorneys and law students from nearby law schools will mentor the youth attorneys when available.

All cases referred to Youth Court will involve youth facing misdemeanor charges in which the youth has admitted to the charge and agreed to have the Youth Court decide the appropriate sanctions or disposition. Both sides will present their cases and the jury will deliberate to decide what sanction the youth will receive. If the youth successfully completes the terms of the sanctions rendered by the youth jury, the charge against him or her will be dismissed.

Youth Court hearings will be tentatively set on the 2<sup>nd</sup> and 4<sup>th</sup> Thursday of each month beginning in the Fall, 2021. Perhaps your school will allow your time spent in Youth Court to count as your community service hours requirement. Applications can be accessed on the Juvenile Court website at:

[www.co.warren.oh.us/probate\\_juvenile/](http://www.co.warren.oh.us/probate_juvenile/)

Should you need to contact the Youth Court Coordinator directly, please call Sharon Eisenhut at 513.695.2686 or email her at:

[youthcourt@co.warren.oh.us](mailto:youthcourt@co.warren.oh.us)

I think that this will be a valuable learning experience for everyone who chooses to be involved in Youth Court. It holds a youth accountable for making a poor choice and instills a greater understanding of how the juvenile justice system works.

Thank you for your interest. We look forward to working with you.
