Schedules

Schedules will soon be available for you to look at on ProgressBook. Students have their own login to ProgressBook, so they can check them as well.

To get to ProgressBook, go to the school website www.wayne-local.com, click on "Resources", and scroll down to ProgressBook. Follow the instructions to get to the login page. If you have never been set up on ProgressBook, call the middle School Office at 513 897 4706 if you need assistance.

PLEASE NOTE:

In order to comply with the social distancing guidelines, schedules will look a little different this year. Although every attempt was made to honor your child's wishes concerning their choice of electives, seating capacity is very limited to allow for spacing of students. They may not have received their requested elective (s).

Schedule changes will not be made as freely as they have been in the past. We apologize if the elective was not something they would have chosen, however, we have been limited due to the social distancing guidelines and the space available in our building. Thank you for your understanding.
