Flags Over Waynesville

Flags Over Waynesville is a new fund raising project for Boy Scout Troop 51. Besides helping the Scouts raise money for camping expenses, this Project helps build community spirit, patriotism, awareness, leadership, and responsibility while also providing a service to you.

Troop 51 will place a plastic sleeve in your yard and mark the curb/street at its location. The sleeve will be flush with the ground requiring no maintenance on your part. The sleeve will not interfere with mowing.

An American flag (details on the back) will be placed (Posted) at dawn and collected (Retired) on five national flag display days. The charge for this service is \$35 for the year.

By participating in Flags Over Waynesville, you will help instill values and encourage and support character growth in our Scouts. You will also be displaying your patriotism when these flags fly proudly in your neighborhood.

Tell your neighbors and help line your street!

Display the Flag of the United States of America in your yard on five All-American Holidays!
Show the your Patriotism
and support your local
Boy Scouts!

The Holidays included are:

YES! I want to participate in Troop 51's Flags Over Waynesville for an annual contribution of \$35. Troop 51 agrees to place an American flag at the address indicated below on specified holidays. I will ensure this is permitted in my neighborhood (i.e. HOA) and identify any utility supply lines, sprinkler systems, pet containment systems which must be avoided during installation. It is also my responsibility to ensure the flag sleeve does not rise above ground level where it may damage any equipment used to maintain the lawn.

Installation:

It is your responsibility to ensure this is permitted in your neighborhood (i.e. HOA) and to identify any utility supply lines, sprinkler systems, pet containment systems which must be avoided during installation.

Installation location should be 12-18" from the curb/street, near the center of your lawn.

We will install a flagpole sleeve made from a one foot section of PVC pipe in your yard, 18 inches from the curb/street. This pipe will be installed low enough not to interfere with regular lawn mowing.

We will paint a BSA Fleur de Lis symbol on the curb/street to mark the location of the sleeve.

POSTING THE COLORS

We will post a flag in your yard early in the morning of the five holidays.

RETIRING THE COLORS

We will retire the flag from your yard on or near dusk of the same day.

WEATHER

In the event of severe weather, the flags will be posted/retired on Patriot Day, September 11.
