

**WAYNE LOCAL SCHOOLS PRACTICES REMOTE LEARNING ON
NOVEMBER 30 & DECEMBER 1, 2020.**

Wayne Local Schools has been developing a “Student, Parent and Staff Plan for Remote Learning.” The multi-faceted plan addresses remote learning in case Warren County moves to Level 4 or “Purple” in the State’s Public Health Advisory System, an unexpected staff shortage, widespread quarantine, or adverse weather conditions.

In preparation, the district will implement remote learning for all students on Monday, November 30th and Tuesday, December 1st, 2020 for Option 1 in-person instruction students. Attendance will be taken and instructional delivery evaluated for efficiency and success. The students will return to in-person instruction on Wednesday, December 2nd. Transportation will continue to be provided for students in our outside programs such as the Warren County Career Center and WCESC programs during remote learning sessions.

Going remote for the two days following Thanksgiving Break will allow the schools to be fully prepared if the district is forced to use remote learning for a brief or extended period. The administrative team will then be able to make any adjustments or enhancements to the remote learning process for a smooth transition if needed during the 2020/21 school year. With increased COVID cases across Ohio, potentially family holiday gatherings pose a risk of viral spread. This allows two additional days to minimize potential quarantines.

Parents should contact the school if any issues or concerns arise during the November 30 and December 1, 2020 remote learning instruction. Also, parents should not send children to school after a holiday break if symptoms appear or exposure has occurred.

Please see the STUDENT AND PARENT REMOTE LEARNING PLAN for pertinent information.

Sincerely,

Pat Dubbs, Superintendent

Student and Parent Plan for Remote Learning Wayne Local Schools

In the event that Warren County is at a Level 4, or **Purple**, in the state's Public Health Advisory System, Wayne Local Schools will go to a remote learning model for a minimum of two weeks in duration. As a community, we must do our part in stopping the spread of COVID-19. The remote learning period is planned and may be extended at the Superintendent's discretion in partnership with the Warren County Health Department. The safety of our students, staff, and community are our top priority. This plan is designed to outline the expectations and responsibilities of staff, students, administrators and parents that are currently in Option 1 for in-person instruction at Wayne Local Schools. Virtual Learning Academy students will continue in the VLA platform.

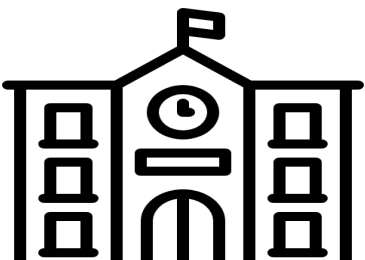

Staff and students have prepared for a smooth transition in and out of remote learning phases through the implementation of flipped classroom strategies and through daily use of the Google Classroom platform. Students are already successful at accessing their classes on their Chromebooks or similar device. Our students and staff are equipped and ready to continue student learning and growing academically in the event a Level Purple is issued for Warren County.

Parent Expectations.

Parents are to call your building secretary if your child will miss classes for the day. Attendance will be taken daily and all attendance policies will remain in effect.

- Have a good working space for your child to have virtual meetings and to complete assignments. Make sure they are appropriately dressed and ready for class to begin on time. Encourage your child to ask for help when needed. Support sessions for students will be available on a rotation basis within your child's school building. Please email your building secretary to get scheduled for support sessions as needed.
- Monitor your child's grades through Progressbook. Grades will count during virtual learning periods just as they do for in-person learning.
- Continue to communicate with your child's teachers and building principal as needed.

Student Expectations:

Students are expected to attend all classes and to be prepared for learning.

- Virtual Face-to-Face meetings are to be in an appropriate designated learning area in your home.
- Be appropriately dressed and ready as you would be for a day of school in an in-person setting. Do not attend virtual meetings from your bed.
- Attendance will be taken for each class in some capacity as decided on by your teacher. Students are to attend each class according to their daily schedule for in-person learning.
- Lunch times will remain the same for remote learning as they are for in person learning. Plan accordingly and be prompt when returning to class.
- Assignments and grades will count. Grading policies will not change during remote learning. All assignments should be completed for accuracy. Assignments must be completed on time unless a formalized learning plan is in place.
- Maintain constant communication with your teachers. If you are struggling, reach out to them for support. Sign up for a support session in your building. Utilize your teacher's office hours for support as well.
- Check your school email account daily.
- Communicate any issues with your school issued Chromebook to [✉tech@wayne-local.com](mailto:tech@wayne-local.com) be sure to explain your problem or concern completely. Screenshots are extremely helpful in troubleshooting the issue.
