

Warren County Educational Service Center

SEEKING QUALIFIED CANDIDATES TO ASSIST WITH COLLABORATIVE PILOT PROGRAM Medical Assistant

Warren County area school districts are collaborating with the Warren County Health Department, Warren County Commissioners, and State of Ohio officials to pilot a program designed to decrease the quarantines of healthy students and therefore:

- Promote students' academic success by keeping healthy students in school and sick students' home
- maintain the mental health of our students,
- lessen the disruption to the integrity of our education system,
- alleviate confusion and dissatisfaction in our communities, and
- improve the economic impact on our families and local businesses.

JOB TITLE: Medical Assistant

JOB DESCRIPTION: Assist school districts with Covid contact tracing and testing

PAY: **\$18.88 – 26.63 per hour based on experience, full benefits available**

HOURS/DAYS: 8 hours/day, Monday-Friday

LENGTH OF POSITION: To be determined by the success of the program, funding, and pandemic conditions, but very likely for the length of this current school year.

Start date: September 13, 2021

If you are interested in being a part of this important pilot program, please apply online at:
