

March 9, 2017

Dear Parents,

On April 19, 2017, Waynesville High School will be administering the state funded ACT test. There is no cost to take this test, but all **juniors** in Ohio, including our students attending the Warren County Career Center, must take it this spring. This is the only “free” ACT test that will be offered once a year, and for juniors only. There are other testing dates that the ACT offers and registration information on those dates are available on the ACT website.

On the morning of April 19<sup>th</sup>, students are to arrive at Waynesville High School between 7:15 and 7:30 A.M. in the main lobby of the high school. They will be checked-in by staff members and directed to their assigned testing rooms. The testing room assignments will also be posted in the front entry way to assist them. The check-in process, passing out testing materials, and organizing students will take about 30 minutes with the start time of 8 A.M. for the ACT. Students will need to bring picture identification, two pencils, and an ACT approved calculator (check [www.actstudent.org](http://www.actstudent.org) or call 1-800-498-6481 for a recorded message about the current ACT calculator policy if you are unsure if your specific calculator is allowed). Testing will conclude at approximately 12:30 P.M. and students will be released home after testing is complete if they have a **signed permission slip**. Please return the permission slip to the main office.
